The Bright Directions Advisor-Guided 529 College Savings Program is sponsored by the State of Illinois and administered by the Illinois State Treasurer, as Trustee. Union Bank & Trust Company serves as Program Manager and Northern Trust Securities, Inc., acts as Distributor. An investor should consider the investment objectives, risks, and charges and expenses before investing. This and other important information is contained in the Bright Directions Advisor-Guided 529 College Savings Program Disclosure Statement, which can be obtained from your financial professional or at BrightDirections.com and should be read carefully before investing. You can lose money

by investing in a portfolio. Each of the portfolios involves investment risks, which are described in the Program Disclosure Statement. Before you invest, consider whether your or the beneficiary's home state offers any state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in that state's 529 plan.

*Morningstar analyzed and rated 61 plans nationwide. Bright Directions was one of only four advisor-sold plans to earn a Bronze rating, the highest rating for an advisor-sold plan. Analyst ratings for 529 college savings plans consider: Process, People, Parent, and Price. Based on their conclusions, analysts will assign pillar scores. Morningstar analysts retain discretion to override scores if they believe a unique characteristic justifies a different rating than the score suggests. The Morningstar Analyst Rating™ is a subjective evaluation and is not a credit or risk

rating. The Analyst Rating scale is Gold, Silver, Bronze, Neutral, and Negative. ©2020 Morningstar, Inc. All Rights Reserved.
